

SADDAM HUSSAIN

Objectives

- A dedicated and detail-oriented individual looking for a position at a well-reputed organization to gain more experience and exposure and expand my knowledge.
- "Seeking opportunities to apply my diverse skill set and passion for learning in a dynamic work environment. Committed to delivering results, collaborating effectively with teams, and exceeding organizational objectives."

Experience

- 2021 - 2022

The Eastern Public School Mirpurkhas English Teacher

I have taught English at The Eastern Public School for 4 months and it is a well-reputed institute being a part of Eastern was one of the best experiences I had. Here, I learned more about character building and psyche of students.

- 2022 - 2023

The Vision School Mirpurkhas Computer Teacher

I have been teaching computer & English language at one of the famous schools of Mirpurkhas. It was a great experience, I have learnt a lot of things while teaching. I can use my knowledge in your organization for better results.

- 2023

Web developer Front-End developer

I have worked on HTML, CSS, JavaScript, Bootstrap and Tailwind CSS.
